# ADAMS COUNTY NOW UNDER STATEWIDE STAY-AT-HOME PUBLIC HEALTH ORDER

Posted on: March 25, 2020

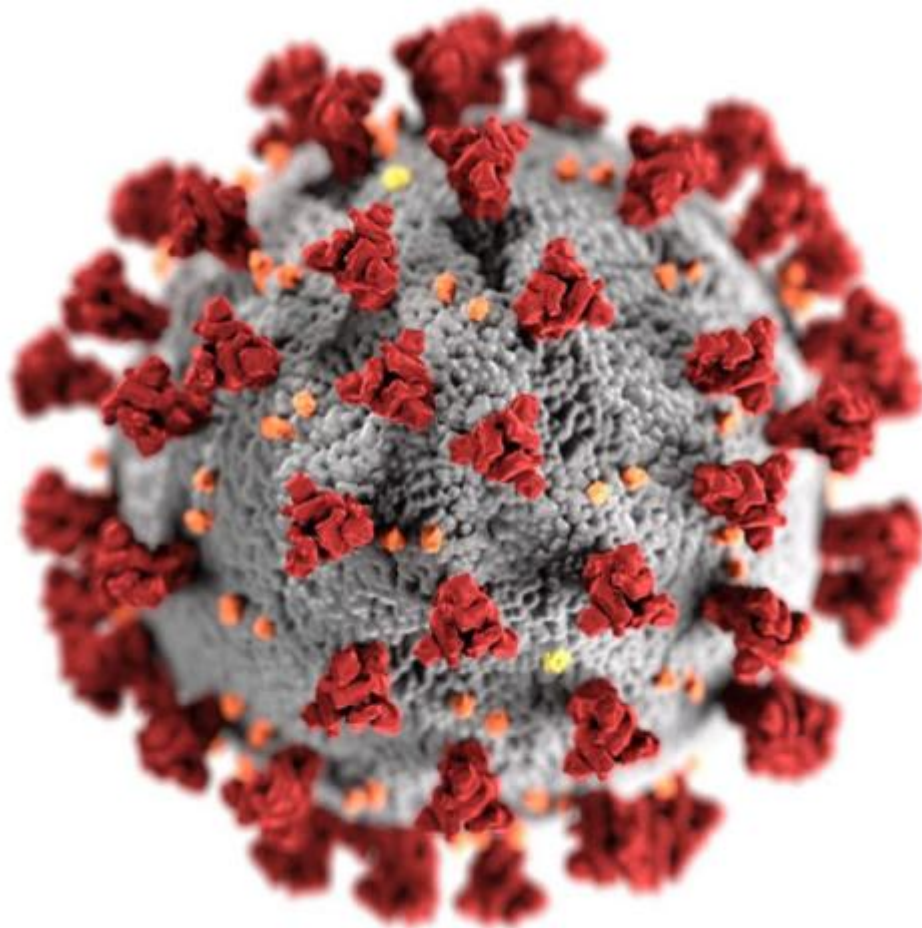

## **Adams County Now Under Statewide Stay-at-Home Public Health Order**

Tri-County Health

Department has rescinded its Stay-at-Home Public Health Order issued March 25, 2020. To ensure uniformity and avoid confusion for residents, Adams County is now under the state issued Stay-at-Home Public Health Order, which remains in effect through April 11.

Adams County will continue providing services to our residents. While our buildings remain closed through April 19, many services can be taken care of online at [adcogov.org](http://adcogov.org).

For more information, view the entire Stay-at-Home Order and [Public Health and Executive Orders Explained](#).

## Playgrounds Closed at Adams County Parks

To ensure the safety of our community and staff, playgrounds at Adams County parks, including City View Park, Rotella Park, Twin Lakes Park, and Riverdale Regional Park, will be closed as of today, March 24. Residents may still enjoy walking paths, trails, and open spaces in Adams County, and we recommend continuing to practice social distancing of at least six feet from others while you recreate. Thanks for your cooperation and understanding during this time.

## County Buildings Closed to the Public Through April 19

Adams County is monitoring the ever-changing COVID-19 (coronavirus) landscape very closely and is in daily contact with health officials and various local and state agencies for updates and best practices. The Colorado Department of Public Health and Environment recommends closing places of business for 30 days to help slow down the spread of the virus. Following these recommended guidelines, Adams County Government offices are closed to the public through Sunday, April 19, as employees work from home.

## Suncor Refinery Experiences Equipment Malfunction

*\*Spanish version follows below // La versión en español se ofrece más abajo*

Suncor has released this statement:

At about 5:40 p.m. today, Tuesday, March 17, the Suncor Commerce City refinery experienced an equipment malfunction resulting in a release of catalyst from the Plant 2 Fluidized Catalytic Cracker, or FCC unit. FCC catalyst is a clay-like material. As a precautionary measure, we sounded a vapor release alarm and immediately initiated our response plan. The unit has been put in safe mode.

## County Buildings Closing Immediately through March 22

Due to three confirmed public cases of Coronavirus (COVID-19) in Adams County, and a county employee under quarantine order from a medical professional, county leadership made the decision to close all Adams County buildings until Monday, March 23. This measure will allow for cleaning and disinfection of county buildings. We are taking this step out of an abundance of caution.

The Sheriff, District Attorney, Coroner, Justice Center, and Sex Assault Task Force Office will remain open until further notice.

## Planned Maintenance at Suncor's Commerce City Refinery

On Monday, March 9, Suncor began planned maintenance in Plant 2 of its Commerce City refinery. This work includes taking some operating units out of service, performing the maintenance, and bringing the units back online. The work is scheduled to last approximately two weeks. Suncor expects periods of increased flaring as it shuts down the units over the next couple of days. Similarly, Suncor expects periods of increased flaring toward the end of the maintenance period as the units come back online.

## Adams Hollow Disc Golf Weekday Closure

The Adams Hollow Disc Golf Course at Riverdale Regional Park will be closed on weekdays (Monday-Friday) starting next week until early April 2020 due to construction around the area and safety concerns near the course. The course will remain open on the weekends unless project impacts deem it necessary to close the course. In addition, there may be slight disruptions in play at Riverdale Golf Courses during construction. Thank you for your compliance with this closure.
